

Syed Saadat Ahmad

Aligarh, India, 202002 | s.saadat.ahmad@gmail.com | +91 7451077808

Experience

Satellite Payload Designer, SS AMU SAT – Aligarh, India 07/2024 – Present

- Working in an interdisciplinary team of 40+ people including faculty, industry experts and ISRO scientists.
- Implementation of satellite imaging payload on Raspberry Pi Compute Module 4
- Worked on setting up CAN communication protocol with payload and other sensors and subsystems on the satellite.

Intern, AMU Innovation Foundation – Aligarh, India 06/2024 – 07/2024

- Designed multiple geolocation-driven systems to automate satellite image acquisition.

Projects

www.nCrypt.site [Link](#)

- Built a Flask-based web platform for creating and sharing encryption methods.
- Engineered RESTful APIs, SQLite databases, and Werkzeug security for password hashing.
- Deployed on PythonAnywhere with end-to-end HTTPS encryption.

Envision [Link](#)

- Chrome Extension for Color Accessibility
- Developed a Chrome extension to enhance color for users with color blindness.
- Implemented real-time color adjustment using JavaScript and Chrome APIs

JannSeva [Link](#)

- Designed an AI-driven healthcare app supporting 120+ regional dialects, built for rural India.
- Integrated weather/pollution APIs to generate location-specific health insights.
- Implemented OTP authentication via Twilio for rural/low-tech user accessibility.

Skills

- Python, C, C++
- Flask, Django
- RESTful web services and APIs
- SQL and No-SQL databases
- Debugging and troubleshooting
- Third-party service integration
- HTML, CSS, and JavaScript
- React JS, React Native
- Tailwind CSS
- Next JS
- Raspberry Pi systems
- Linux, Unix, Windows
- Nginx web server
- Git version control
- CI CD pipeline (Github Actions)

Education

Z.H. College of Engineering and Technology, Aligarh Muslim University, Expected 2027
Bachelor of Technology in Computer Engineering

- **Relevant Coursework:** Data Structures, Algorithms, Database Systems, Computer Architecture

Certifications

Harvard University's CS50x: Introduction to Computer Science [Certificate Link](#)
